

# *St Colman's BNS, Sleaveen East, Macroom, Co. Cork*

## **Code of Behaviour**

A Code of Behaviour is established to ensure that the individuality of each child is accommodated while at the same time acknowledging the right of each child to education in a relatively disruption free environment. The Code of Behaviour of St Colman's BNS was formulated in consultation with the Parents Association, Student Council, Staff and the Board of Management.

### **The aims of the Code of Behaviour of St Colman's BNS are:**

- To provide guidance for pupils, teachers and parents on behavioural expectations.
- To provide for the effective and safe operation of the school.
- To develop pupils' self-esteem and to promote positive behaviour.
- To foster the development of a sense of responsibility and self-discipline in pupils based on respect, consideration and tolerance of others.
- To facilitate the education and development of every child.
- To foster caring attitudes to one another and to the environment.
- To enable teachers to teach without disruption.

### **Implementation**

Every member of the school community has a role to play in the implementation of the Code of Behaviour. Rules will be kept to a minimum, will emphasise positive behaviour and will be applied in a fair and consistent manner, with due regard to the age of the pupils and to individual difference. Good behaviour will be encouraged and rewarded. Where difficulties arise, parents will be contacted at an early stage.

### **General Guidelines for Positive Behaviour**

1. Pupils are expected to treat all adults and fellow pupils with respect and courtesy at all times. Behaviour that interferes with the rights of others to learn and to feel safe is unacceptable
2. Pupils are expected to show respect for all school property and to keep the school environment clean and litter free.
3. Pupils are expected to take pride in their appearance, to have all books and required materials and to be in the right place at the right time.
4. Pupils are expected to obey a teacher's instructions, to work to the best of their ability and to present assignments neatly.
5. Pupils are expected to attend every day unless there is a genuine reason for absence, in which case the school must be informed in writing, stating the reason for absence.

### **Bullying**

Bullying is repeated verbal, psychological or physical aggression by an individual or group against others. The most common forms of bullying are aggressive physical contact, name-calling, intimidation, extortion, isolation and taunting. Bullying will not be tolerated and parents will be expected to cooperate with the school at all times in dealing with instances of bullying in accordance with the school's Anti-Bullying Policy.

### **Affirming Positive Behaviour**

Positive reinforcement of good behaviour leads to better self-discipline and we place a greater emphasis on rewards and incentives than on sanctions.

### **Strategies/Incentives**

- A quiet word or gesture to show approval.
- A comment on a child's exercise book.
- A visit to another class or Principal for commendation.
- Praise in front of class group.
- Individual class merit awards, points awards or award stamps.
- Delegating some special responsibility or privilege.
- Written or verbal communication with parent.
- Achievement Award presented at School Assembly.

### **Discouraging Misbehaviour**

The purpose of sanctions and other strategies is to promote positive behavior and discourage misbehaviour. Sanctions will be applied according to the gravity of the misbehaviour, with due regard to age and emotional development. These may include

- Reasoning with pupil.
- Verbal reprimand including advice on how to improve.
- Temporary separation from peers within class and/or temporary removal to another class.
- Prescribing extra work.
- Loss of privileges.
- Detention during break.
- Communication with parents - note in homework journal
- Referral to Principal.
- Principal communicating with parents.
- Exclusion (Suspension or Expulsion) from school (in accordance with Rule 130 of the Rules for National Schools as amended by circular and Education Welfare Act 2000).

Pupils will not be deprived of engagement in a Curricular Area, except on the grounds of health/safety

### **Children with Special Needs**

All children are required to comply with the code of behaviour. However the school recognises that children with special needs may require assistance in understanding certain rules. Specialised behaviour plans will be put in place in consultation with parents and the class teacher, learning support/ resource teacher, and/ or Principal and/or NEPS psychologist, who will work closely with home to ensure that optimal support is given. Cognitive development will be taken into account at all times. Professional advice from psychological assessments will be invaluable.

The children in the class/school may be taught strategies to assist a pupil with special needs adhere to the rules and thus provide peer support. This will be done in a supportive and safe way, acknowledging and respecting the difference in all individuals.

### **Suspension/Expulsion**

Before serious sanctions such as suspension or expulsion are used, the normal channels of communication between school and parents will be utilised. Communication with parents may be verbal or by letter depending on the circumstances.

For gross misbehaviour or repeated instances of serious misbehaviour suspension may be considered. Parents concerned will be invited to come to the school to discuss their child's case. Aggressive, threatening or violent behaviour towards a teacher or pupil will be regarded as serious or gross misbehaviour.

Where there are repeated instances of serious misbehaviour, the Chairperson of the Board of Management will be informed and the parents will be requested in writing to attend at the school to meet the Chairperson and the principal. If the parents do not give an undertaking that the pupil will behave in an acceptable manner in the future the pupil may be suspended for a period. Prior to suspension, where possible, the Principal may review the case in consultation with teachers and other members of the school community involved, with due regard to records of previous misbehaviours, their pattern and context, sanctions and other interventions used and their outcomes and any relevant medical information. Suspension will be in accordance with the Rules for National Schools and the Education Welfare Act 2000.

In the case of gross misbehaviour, where it is necessary to ensure that order and discipline are maintained and to secure the safety of the pupils, the Board may authorise the Chairperson or Principal to sanction an immediate suspension for a period not exceeding three school days, pending a discussion of the matter with the parents.

Expulsion may be considered in an extreme case, in accordance with the Rule for National Schools and the Education Welfare Act 2000. Before suspending or expelling a pupil, the Board shall notify the Local Welfare Education Officer in writing in accordance with Section 24 of the Education Welfare Act.

### **Removal of Suspension (Reinstatement)**

Following or during a period of suspension, the parent/s may apply to have the pupil reinstated to the school. The parent/s must give a satisfactory undertaking that a suspended pupil will behave in accordance with the school code and the Principal must be satisfied that the pupil's reinstatement will not constitute a risk to the pupil's own safety or that of the other pupils or staff. The Principal will facilitate the preparation of a behaviour plan for the pupil if required and will re-admit the pupil formally to the class.

### **School Rules**

School rules are kept to a minimum and are devised with regard for the health, safety and welfare of all members of the school community. If a school is to function efficiently, it is necessary that rules and regulations are clearly stated and enforced consistently and fairly. While engaged in school activities outside of the school premises, students shall, as representatives of the school, be respectful and adhere to the Code of Behaviour of the school.

### **Before/After School**

Parents are reminded that the staff of the school does not accept responsibility for pupils before official opening time of 9 a.m. or after the official closing time of 3 p.m. except where pupils are engaged in an extra-curricular activity organised by the school and approved by the Board of Management. Pupils involved in such activities are expected to behave in accordance with school behaviour policy during these times.
